

The SlidePass 2 system is designed for wooden doors 35 to 45 mm thick and up to 1050 mm wide, supporting loads up to 68kg per door.

Three-wheel hangers with heavy-duty ball bearings ensure smooth, quiet movement, while the versatile design works in bedrooms, kitchens, bathrooms, laundry rooms and offices.

Installation is simple with quick-release locking plates and each kit includes all the hardware for two doors plus a 2000 mm track.
