Quiet movement

SlideStraight 80 is a clean, modern sliding door system for wooden doors 35 to 45 mm thick and up to 80 kg. A face-fixed, wall-mounted track with a slim aluminium cover neatly conceals the hardware for a refined architectural finish.

Supplied as a complete kit with a 2000 mm track and integrated soft-close, it delivers smooth, quiet movement while saving floor space, making it ideal for minimalist interiors and premium spaces.
