

Tommaslide 100 is a modern, top hung sliding door system that can be operated with an effortless touch, producing a consistent smooth operation throughout the product lifetime for panels weighing up to 100kg.

The Tommaslide 100 can be Soffit fixed to your door frame or Face fixed to the side of your wall. All Tommaslide rollers are tested to 100,000 cycles and come with a 10 year warranty.

- **Maximum door weight without soft-close:** 100kg
- **Maximum door weight with soft-close:** 80kg
- **Minimum panel width with soft-close and open:** 762 mm
- **Minimum panel width with soft-close:** 370 mm
- **Minimum door thickness:** 30 mm
