

Trakkit Gemini

Wardrobe sliding system

Maximum door panel weight of 45kg.

Top hung

Adjustable sliding solution

Full technical support

Hassle free door solution

Runners Lifetime warranty*

Smooth gliding action when operating

The Gemini is a twin-track system that suits lightweight applications such as cupboards and wardrobes where a budget option is required.

The combination of the aluminium track with the ball bearing nylon wheels, guarantees a silent operation. The use of the adjustable 4-piece floor guide eliminates the need to make a groove under the door.

Components

Pre-drilled aluminium track

Out-facing hangers

In-facing hangers

Nylon door guides

Door stop

Fixing screws

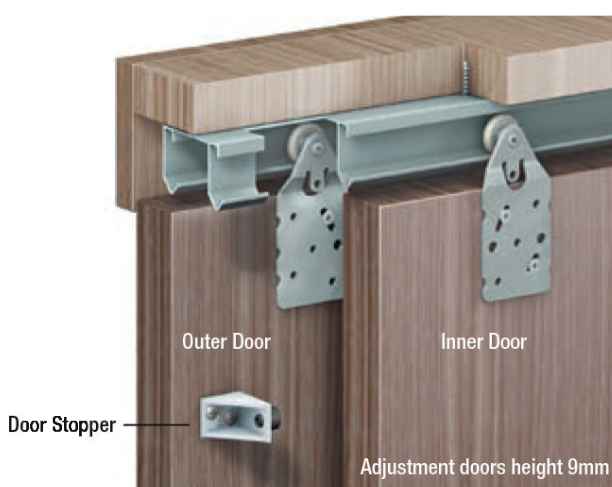

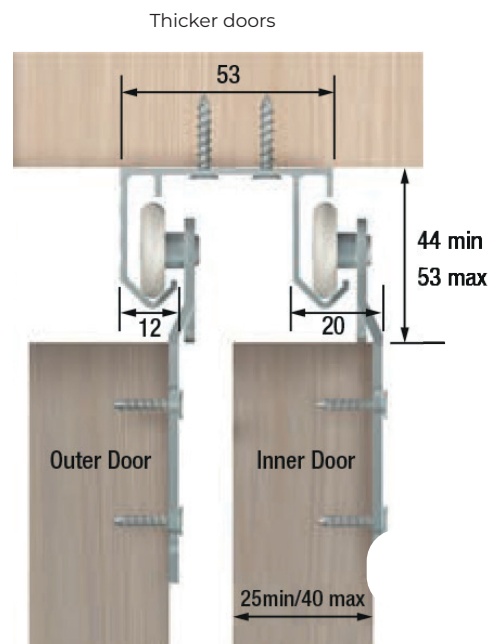

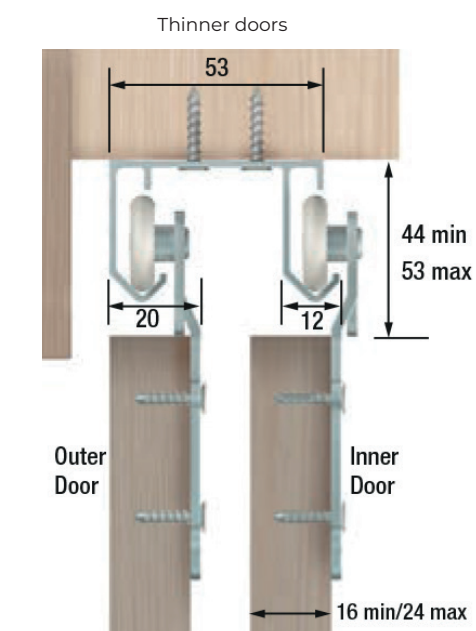

Description	Code
