

SlideFold 4-Door is a space-saving folding door system for four timber panels, creating wide, unobstructed openings with smooth, controlled movement.

Designed for doors 35 to 45 mm thick and up to 34 kg per panel, it uses a cut-to-size 2400 mm top-mounted aluminium track with three-wheel ball-bearing hangers and precision pivot hardware for stable alignment.

The SlideFold 4 is supplied as a complete, fully adjustable kit, and delivering reliable performance for modern interiors.
